Cpl. Dave's POV

"Sir I think I see something looks like a drop pod" I said cautiously as I approached the object. As I slowly opened the pod I heard gun fire just to see some O.D. fighting a group of covies. "Commander come here NOW!" After that all I could smell was smoke of gun powder and explosions. Then for a moment everything went black.

A/N not so long but it's only the first chapter
